

# Workshop Sustainable Finance 2021

September 23<sup>rd</sup>, 2021

Vaduz, Liechtenstein

## CALL FOR PAPERS

The Chair in Business Administration, Banking and Financial Management of the Institute for Finance at the University of Liechtenstein is pleased to announce a call for papers for a small and exclusive conference on sustainable finance, which will be held on September 23<sup>rd</sup>, 2021 at the University of Liechtenstein in Vaduz, Principality of Liechtenstein.

The aim of the workshop is to bridge a gap between academics and professionals on issues surrounding sustainable finance, with a primary focus on asset and investment management. As such we invite empirical and theoretical academic papers, which will be discussed both by an academic and a practitioner. Topics of special interest are, but not limited to:

- ESG related research (integration, materiality, risk relevance, etc.)
- Green bonds
- Low carbon portfolio management
- Sustainable Developments Goals (SDGs)
- Regulatory issues (MiFID II, IDD, Benchmark Regulation, etc.)
- Impact Investing
- EU Taxonomy on Sustainable Finance

Papers presented at the conference will be invited for submission to the **Palgrave Macmillan Series “Studies in impact finance”** and to the **Topical Collection “Sustainability in Financial Industry”** of the journal [Sustainability](#).

Each accepted paper will be discussed by a practitioner from VP Bank AG Liechtenstein as well as by one of the speakers. Discussants will be assigned by the Chair in advance.

## KEY DATES

Deadline for submission of full papers: **Tuesday, 1<sup>st</sup> June, 2021**

Notification of paper acceptance: **Thursday, 1<sup>st</sup> July, 2021**

## SUBMISSION PROCEDURE

Papers should be submitted by email to [banking@uni.li](mailto:banking@uni.li) with the subject “2021 Paper Submission”.

## AWARDS

VP Bank AG Liechtenstein will award the **“2021 Best Paper Award” (CHF 2,000)** to the best overall academic paper presented. Additionally, LIFE Climate Foundation Liechtenstein will award the **“2021 Impact Award” (CHF 2,000)** for the paper with the highest relevance for climate protection and sustainability.
