# DOCTORAL DEGREE PROGRAMME IN BUSINESS ECONOMICS

The doctoral degree programme enables the scientific study of topics that are of specific significance for Liechtenstein as a business and financial center, and which also play an important role in the international context. The semi-structured study programme is embedded in the research priorities of the university.

The course of study can focus on the following priority areas:

- Entrepreneurship and Management
- Information Systems
- International Financial Services

### ADMISSION REQUIREMENTS

- Completion of a consecutive master's degree of an university or an equivalent other university degree
- Consecutive studies of at least 270 ECTS; at least 60 ECTS in a master's degree programme in business economics
- Excellent English (level C1 certificate)
- Exposé (research proposal)
- Commitment for supervision from a professor of the University of Liechtenstein
