UNIVERSITY OF LIECHTENSTEIN ALUMNI (ULA)

OUR ALUMNI CLUB FOR YOUR FUTURE

You want to stay in touch with your fellow students and profit from the experiences of our graduates?

Access our constantly growing alumni network! We would like to strengthen the solidarity among former students and their relationship to the university and its students, as well as lifelong learning and the mutual exchange of experiences. Former students have the opportunity to stay in contact with their alma mater through various events and thus expand their personal network.

Membership fee on a voluntary basis. With your declaration of membership you agree that we may use your data for our internal events and inform you about current developments at the university. If you no longer wish this, please contact us at alumni@uni.li. If you have any questions about data protection, please contact datenschutz@uni.li.
